A N C H O R A G E

treeerific Anchorage is a community group with a mission to enrich our community through the planting, caring and promotion of trees. Anchorage is blessed with wonderful parks, beautiful trails and amazing access to forests. Yet many of Anchorage's trees have been lost to development and roads. In addition to replacing those lost, we also must care for those that we have.

Are you interested yet? If you would like to get involved with trees in Anchorage, there are a lot of ways for you to participate with our group.

Show up at one of our meetings to share your thoughts.

Learn more about trees and forests at one of our field trips or educational presentations.

Help plan for our next event or tree planting.

Stay informed so you'll always be in the know about what events are coming up.

We are a community group that relies on volunteers. We'd love to have you join us!
